

YOU'LL SOON BE ON COURSE FOR A CAREER IN CARE

If you enjoy looking after the elderly, ill or vulnerable, then the Ambition Training Academy is your ideal way into a career as a care assistant – with a specifically developed 2-week course run by expert professionals to give you all the basic knowledge and skills you'll need in nursing or residential care.

- 3-day classroom training covering all the essentials of adult care
- 30 hours work experience to help you put the theory into practice (unpaid)
- Upon completion of satisfactory work experience, theory reports and satisfactory written references you will be placed on the agency's books. Of course, you are not restricted to working for Ambition and are free to use your new skills for other employers

The course comprises:

- The role of the care assistant
- Dress code • Communication
- Patient Hygiene • Hand washing
- Mouth care • Pressure area care
- Infection control • Health and safety
- Fire safety • Bed making
- Food and Hygiene • Nutrition
- Moving and handling
- Emergency first aid and basic life support • Incontinence • Administration
- Protection of vulnerable adults and children • Policies and procedures

HEALTHCARE TRAINING

IMPORTANT

A full face to face interview is required to determine your suitability.

By law, you are required to undergo a Criminal Records check – this can take up to 6- 8 weeks. Criminal records should be disclosed at interview prior to a check being undertaken – a criminal record will not necessarily exclude you from this course. You will be required to provide two written employer references, one of which should be your last employer.

Healthcare is a sector that deals with vulnerable people and therefore all checks must be in place prior to course attendance.

Please note that in the event of failure to complete our registration checks i.e. inability to supply suitable references or if we receive a Criminal Records Check barring you from employment in this sector, we will refund your course payment less £36.00 for the cost of your CRB.

Truly rewarding in every sense

The cost of the course is £160.00 this includes a criminal records check, a uniform, manual handling, cpr, food hygiene and the care tuition - but as there's an enormous demand for Care Assistants, *you'll have as much work as you want and be **earning up to £400 a week** (not guaranteed) within a few months.*

What next?

Please complete the enclosed course booking form together with the application form and make an appointment to be interviewed by one of our branch consultants. If you would like further information regarding any of the courses that Ambition has on offer please visit our website which also details course availability **www.ambition24hoursacademy.co.uk**
